NINTENDO WORLD CLASS SERVICE$_{sm}$

The World Class Service trademark has been designed as an identifier for Nintendo's Authorized Field Service Organization. It is a highly recognizable symbol which signifies the support of an extensive network of factory trained service professionals. A large investment has been made in the development and implementation of this symbol. The proper use of this trademark will ensure that it is recognized as a positive statement as to the service commitment held by Nintendo of America Inc.

In order to ensure the effectiveness of this trademark, it must be used in strict accordance with the following guidelines:

There is only one acceptable version of the trademark. The symbol and type are always to be used in this relationship. No portion of the trademark is to be enlarged or reduced relative to the remainder of the trademark. Any reproduction of the trademark must be made from approved camera-ready art supplied by Nintendo.
